RE: SEEKING VENUES FOR BOWLS ACT EVENTS

Men's & Women's Triples – Venues required immediately

We urgently require venues for the ACT Men's and Women's Triples commencing January 11th – 12th with Finals on the 18th January. 2 Greens will be required for both the Men's and Women's dependent on entries. Please reply to the Bowls ACT Office by Thursday 5th December if you are able to host one of these events.

2020 Venues

We are also seeking venues for the following ACT Championships in 2020 and request that any clubs able to host an event reply to us no later than Wednesday 16th December. (Venue chart Page 2.)

NB: **Champion of Champion events** – preferably to be played at the same Venue. Otherwise, where two events are scheduled for the same times, these may be held at the same or different locations (eg Rookie singles).

Last year's numbers are provided for indicative purposes only. These should only be used as a guide as the timing for many events has changed.

A detailed description of the obligations of host clubs is available in the current CoP (Jan 2018) (downloadable from the web site) but generally speaking, host venues **are expected to provide the appropriate number of umpires (with assistance provided by the ACT Umpires Committee if requested)**. In Singles events, the majority of marking obligations should be met by players but the club will be asked to source any additional markers required. Host venues are entitled to collect green fees for each day.

Please contact me if you would like any further information on hosting the events.

See Venue Chart Page 2 for events and dates required.
