**Re: 2020 CoP and new IT System - Briefing for Clubs**

Bowls ACT will be holding a briefing session for Clubs on 20 January 2020, at the public meeting room in the Chifley Community Health and Wellbeing Centre, 70 Maclaurin Crescent, Chifley. The meeting will commence at 6:00pm.

The topics to be covered include:

1. 2020 Conditions of Play that will apply to all Bowls ACT events for 2020. There are some changes to the previous version, so it is in the interests of clubs to be aware of these. A list of the changes will be forwarded early in the new year.
2. How to enter pennant teams and update results using the new Bowlslink system. This system is quite different from the one we used last year (and is much less 'forgiving' of mistakes). Again, it is crucially important that the relevant people attend for this session.

The details again:

**Date: 20 January 2020**

**Time: 6:00pm**

**Where: the Public Meeting Room, Chifley Community Centre (70 Maclaurin Cr, Chifley)**

**Who: Anyone interested in understanding the new CoP & IT systems, but particularly representatives of Club Match Committees, selectors, bowls coordinators etc....**

**Kate Lyttle**  
**Executive Officer**
