CIRCULAR No 18 of 2020

TO ALL CLUBS AND MEMBERS

Re: PHASE 2.1 BOWLS ACT RETURN TO SPORT PLAN

The ACT Government began the first phase of gradual easing of restrictions on sport and recreation when it allowed informal outdoor, non-contact sport to reopen from 16 May. As from midnight tonight (Friday 29 May), the Government is moving to the partial implementation of the second phase of easing restrictions.

The **key change** for Bowls is that, instead of a maximum of 10 people being allowed to train as permitted in the first phase, a maximum of 20 participants and a coach can now train in an outdoor area. The general approach of "get in, train, get out" continues to apply. Physical distancing and hygiene requirements remain in place.

We remind you all that **All** ACT based Clubs **MUST** have their own plan – Clubs have the option of developing their own plans or adopting the Bowls ACT plan (with suitable club-specific adjustments where required). NSW based Clubs are encouraged to develop plans taking note of any NSW specific requirements.

If any Clubs would like assistance with developing their plans, or further information about the requirements, please do not hesitate to contact me.

Executive Officer
