CIRCULAR No 35 of 2020

TO ALL CLUBS AND MEMBERS

Re: REMINDER RE INCLEMENT WEATHER

With weather expected to be colder than usual over the next few days, it is prudent to remind players and member Clubs of section 2.15 (d) of the Conditions of Play:

On days of extreme cold, play may be suspended when the temperature drops to 8 degrees or below.

Controlling Bodies will also take into consideration the following:

- (i) the condition of the green in relation to traction. If the green is slippery from frost, dew, rain, hail, sleet, ice, snow or mud;*
- (ii) wind chill factor;*
- (iii) availability of shelter or warmth;*
- (iv) lightning;*
- (v) bad light; and*
- (vi) advice from the greenkeeper in relation to possible damage to the green*

The **Controlling Body** of the event is responsible for determining whether play should be ceased.

We strongly urge a “common sense” approach that considers the health and safety of participants at all times.

Kate Lyttle
Executive Officer
