RE: WINTER JACK ATTACK TOURNAMENT

Last year we trialed a new Winter Jack Attack Tournament. Although feedback was mixed, the vast majority of participants thought it great fun, and a valuable experience. Therefore, we will run the event along the same lines this year.

In essence it is:

Mixed, mufti, played during the day on Mondays, and run for approximately 8 weeks (July- August, give or take, depending on entries). Team members must be from the same club.

It will be based on the Jack Attack format: teams of 3-5 (with 3 playing at any one time, two optional substitutes can be used, as long as the team on the green is of mixed gender at all times. Two sets of 5 ends (plus a one end tie-breaker if needed). And last but not least... each team will have a "Power Play" end where they can nominate to play for double points. There will be two games per Monday with a short break between them. The home venue will be rotated through the clubs involved (ie all games will be at the same venue each week).

There is no fee to enter a team but green fees (maximum 3 players per team) will be payable to the host club each week.

There will be no entry form per se – Just send me an email with your team name, a contact name and email address. "Creative" team names are encouraged....

Feel free to give me a call if you want further details.

Entries Close 26 June.

Kate Lyttle
Executive Officer
