RE: SELECTION MODULE WORKSHOP 3rd September 2019

One of the game's most contentious issues is selection. This afternoon workshop to be held on 3rd September will provide you with all the tools required to review your own club's current selection criteria and policy.

About the Selection Module

This BA accredited course is open to anyone interested in ensuring that his or her club has a quality selection policy and process. The workshop will address the following questions:

What is the selection policy of other clubs? What skills should a selector have? How should the selections be made? How would you handle an appeal?

While there may not be a "one fits all" solution to the above questions, the material presented during the workshop should enable you to re-evaluate your own club's selection process.

Target Audience

This workshop is open to coaches, players, committee members, selectors and other interested persons.

Payment

Registration fee is \$30.00 includes a copy of the module handbook (RRP \$15).
