**RE: STRATEGIC REVIEW OF BOWLS IN THE ACT**

## **WE NEED YOUR HELP!**

Hopefully you are already aware that the ACT Government has contracted RSM to undertake a strategic review of Bowls in the ACT. They are investigating aspects across a range of key themes – which are covered in the attached flyer. We are hopeful that the results we get from the review will assist us to provide a sustainable, quality sport into the future.

RSM are consulting members, former members, social players, Clubs (both bowling clubs and ‘parent’ clubs, where these exist), committees, relevant peak bodies and more – in attempt to get the fullest picture possible.

It is now time to have **YOUR** say in the Review into Bowls into the ACT.

You can do this via several means:

- You can complete the survey by following the link. [bit.ly/ACTBowlsSurvey](https://bit.ly/ACTBowlsSurvey)
- You can attend a consultation forum at your club (details to be distributed via clubs separately)
- You can submit freeform comments/suggestions/ideas to a specially set up email [bowlstactreview@rsm.com.au](mailto:bowlstactreview@rsm.com.au)
- You can arrange for a ‘personal’ interview with the consultancy team by sending an email to [stephanie.grabianski@rsm.com.au](mailto:stephanie.grabianski@rsm.com.au)

The survey can be done on a smartphone, tablet or Mac/PC. Responses are anonymous, and there are strong privacy procedures in place to protect identities and information collected.

We are interested in the perspectives of everyone – whether you play regularly, infrequently, socially – even those who no longer play!

All members with an email recorded on our system will receive the information directly (over the next few days, to spread out the email traffic!). But we are also relying on word of mouth for those who are not regular email users.

**This is probably the most important Circular I will send this year! (so PLEASE get involved!)**
