#### **RE ACT CHAMPIONSHIP TRIPLES DRAWS**

The draws for the ACT Men's and Women's Triples have been released. They can be accessed on the web via this link:

[https://results.bowlslink.com.au/?root\\_object=competitions&root\\_id=CLUB\\_GROUP\\_ACT&root\\_type=club-group](https://results.bowlslink.com.au/?root_object=competitions&root_id=CLUB_GROUP_ACT&root_type=club-group)

Or, by simply going to the Bowls ACT website ([www.bowlstact.org.au](http://www.bowlstact.org.au)) and clicking on the "Event Entries and Results" box in the middle of the home page.

The draws have been done using the new Bowls Australia IT System which still has a couple of 'quirks'!

- The team name gives the name of the skip (as per the entry) and the club. By clicking on the team name, you will get a list of all players BUT these are not shown in position order (I think its sorting by BA rego number – bug lodged!).
- All games are being shown as to be played on rink 1 – obviously that's not the case!
- The system does not allow "TBC" or unregistered players so some teams have "guest" players until we have sorted names and/or paperwork. Please make sure the cards are correct/updated prior to play on the day.

No time has been set for the Final – that can be agreed between the teams and the club once teams determined.

Lastly, welcome to our newest members – 3 men's teams from Crookwell RSL!

If you have any questions about the draw or need to confirm players, please email me.
