**RE INTERIM POLICY ON AIR QUALITY**

Bowls ACT has released an interim policy addressing the recent air quality issues in relation to play. It will apply to all Bowls ACT events from today until further notice.

The term “interim” has been used deliberately as we await further information on the effects of exposure and best practices to mitigate effects.

If you have any questions or concerns about this policy, please do not hesitate to contact me.

The Policy has been added to the suite of policies available on the Bowls ACT web site.
