## CIRCULAR No 10 of 2020

### TO ALL CLUBS AND MEMBERS

#### Re: RE-SEND OF REQUEST FOR VENUES FOR 2020

Late last year, we sought nominations from clubs to host ACT events. We had responses from only a few clubs. In order to fairly accommodate events, we ask that clubs reconsider their capacity to assist and get back to us with requests. Those that offered their greens are asked to reconfirm, in case circumstances have changed.

**NB: Champion of Champion events** – preferably to be played at the same Venue. Otherwise, where two events are scheduled for the same times, these may be held at the same or different locations (eg Rookie singles).

Last year's numbers are provided for indicative purposes only. These should only be used as a guide as the timing for many events has changed.

A detailed description of the obligations of host clubs is available in the current CoP (Jan 2020) (downloadable from the web site).

**Please note: Host clubs are expected to have a person/s on site capable of performing the role of Controlling Body. In addition, host Clubs are also expected to provide the appropriate number of umpires (with assistance provided by the ACT Umpires Committee if requested).**
