Re: BOWSLINK ONLINE GREEN BOOKING SYSTEM

Bowls Australia has developed a rink booking system that is free for Clubs to use.

The booking system, titled **Rink Booker**, is available at no cost to any Club from today and has been integrated into the current BowlsLink club websites. The development of Rink Booker originates as a result of requests from Clubs looking for such a system.

This added function to the website will take less than 30 minutes for a Club administrator to set up (with the number of rinks and times available for bookings etc.), so the offering will be functional for Clubs almost immediately. Rink Booker is easy to use and once bowlers make their bookings, they are sent a confirmation email and a calendar becomes viewable to Club administrators to show them what rinks have been booked at any one time.

For Clubs that aren't currently using a BowlsLink website, they will be able to access a BowlsLink website to use this specific functionality – they will be able to link to the booking URL from their current site.

With some further development over the course of the coming months, Rink Booker will be updated to include options for social/barefoot bowls bookings and a payment gateway.

If any Clubs would like to take advantage of this, please contact me for instructions.
