Re: REVISED DRAFT CALENDAR FOR RETURN TO BOWLS ACT EVENTS

The revised Calendar for the remaining Bowls ACT events has been released. The scheduling of events remains contingent upon there being no re-introduction of restrictions in either ACT or NSW.

The revised schedule has been developed taking into consideration the following:

- Deadlines for finalising the qualifying events that progress to Bowls Australia level. (CC Singles, Singles, Pairs, Mixed Pairs & Fours - Triples having already been completed.)
- The expressed intent to complete those events already underway (ACT Singles, Men's and Women's Weekend Pennant)
- Ensuring one day per weekend remains available for Club events
- Avoiding clashes with set club tournament dates
- Having all events concluded prior to mid November to enable Clubs to use greens for corporate/barefoot events.

As previously advised, the following events will not be played in 2020: CC Pairs, CC Triples, CC Fours, 60+ Fours, Winter Jack Attack, Rookie Singles and Doran Bowl. Rookie Singles and Doran Bowl, both events targeting newer bowlers, will each have a year added to their eligibility requirements for 2021.

Please note that where we have been advised of a previously scheduled club tournament being cancelled, this is indicated with a strike through. Where the status of a club event is unknown, this is indicated with a "?".

In relation to the continuation of the Pennant rounds, the online draws will shortly be updated to reflect the new dates but otherwise the draws remain as previously published. If any club is now unable to host their scheduled home games, please get in touch with me as a matter of urgency.
