RE: BOWLS AUSTRALIA NUMBERS - CARDS FOR MEMBERS

Shortly, all Clubs will have received laminated cards for each member with their Bowls Australia (BA) National ID Number on them.

These cards have been issued to assist members when using the Bowlslink System which is progressively being implemented for competition entry and member records.

The BA number will allow members to access their own record on the membership database, and to update their personal details as required. Instructions will be forthcoming on how to access your records.

The BA number will also be required to use the online competition entry system from next year. In doing so, the system will maintain a record of your participation in events, and members will be able to access a historical record of results and participation.

Members will note that your club name is not displayed on the card— this is because your BA National ID Number will be retained by you, even if you change clubs within or between the States and/or Territories.

NB: due to the delay in distributing the cards, the member lists used may be out of date - Please advise the office (via email) if there are new members requiring cards and these will be sent. Cards provided for no-longer-active Members can be destroyed.
