**RE: Bowlslink Problems**

We are currently experiencing some difficulties with Bowlslink and their setup for tournaments and circulars. I have been working to get these issues sorted, however, I am still unable to send circulars through the standard format, and we are having difficulties with registrations for players into competitions.

I would like to thank you for your patience with this so far, and would ask that you continue to work with me to ensure things are moving smoothly until we are able to get things back up and running as previous.

In the meantime, if you need anything please do not hesitate to get in touch and I will do my best to answer your queries.
