RE: Bowls ACT Policy Update

As of the 12th of February Bowls ACT will be adopting several new policies in order to add further protection and clarity to members. These policy updates serve to bring Bowls ACT further forward in a constantly changing community.

By bringing these new policy updates in, Bowls ACT hopes that members will feel they are being protected from harassment and will feel safe and comfortable while enjoying the sport of Bowls.

These new policy documents can be viewed through the links below;

[Anti-Doping Policy](#)

[Disciplinary Policy](#)

[Member Protection Policy](#)

A full list of Bowls ACT Policies can be found [here](#).

I would like to take the time to thank the Bowls ACT Board for their work in creating these documents.
