**RE: AMA Projects Joins Bowls ACT**

Bowls ACT is excited to announce that AMA Projects will be coming on board as the naming rights sponsor for the 2021 AMA Projects ACT Invitational Singles. AMA Projects are a leading provider of construction and Project Management services nationally, having delivered over 500 projects both domestically and internationally with a special focus on construction, infrastructure, fitout and refurbishment works for a diverse range of clients.

AMA Projects come on board to join Bowls ACT as a major sponsor of the 2021 AMA Projects Invitational Singles, a competition which will see the 16 best available male and female bowlers from Bowls ACT clubs go head-to-head across July 3<sup>rd</sup> and 4<sup>th</sup> this year.

The competition, still in its infancy, is looking to grow and become a blue ribbon event on the calendar rewarding the strong performances across the previous year. The Top 16 are taken from the Bowls Australia Ranking as of January 1<sup>st</sup> 2021 with the top 8 ranked male and the top 8 ranked female members being invited to play off for the title.

In coming on board for the event, AMA Projects; Director Alex Singer had this to say:

“AMA Projects are pleased to come on board and support the development of this signature event on the Bowls ACT calendar. There is a key organisational alignment through shared values which both AMA Projects and Bowls ACT hold in high regard, and social barefoot bowls is always a favourite activity for our staff in the warmer months,”

Bowls ACT are excited to see AMA Projects come on board as we prepare for the 2021 AMA Projects Invitational Singles. Further details are to be released surrounding the event in the coming weeks, including hosts and participants, so keep an eye out across our website and social media platforms.
