RE: Bowls ACT Events

The ACT and NSW Governments have recently extended their lockdowns across the Bowls ACT Region which means that several scheduled events will no longer be able to go ahead as scheduled.

While the announcement has confirmed that these events will no longer be going ahead as planned, there is currently no trajectory for a return to normal. As such, Bowls ACT wishes to advise that a decision will not be made on confirming dates for events until such time as a road ahead is advised.

Events that are now postponed, with a decision to be made in the future once we know more, include;

CoCC Pairs
Mixed pairs
AMA Projects Invitational Singles
Mid-Week Pennants

All nominations for the Mid-Week Pennant will be cancelled. Pending the release of an updated competition a new EOI for nominations will be circulated for the competition in the hopes of reviving the season as best as possible.

Bowls ACT is currently working on building the 2022 Calendar, however, we are still looking to ensure we can complete the 2021 season as well as begin the 2022 season.

For the time being, please stay safe and well and we'll see you back on the greens when we can.
